

Bagnolo in Piano**11/03/2020****OBJECT: PRECAUTIONARY MEASURES FOR CORONA VIRUS (Covid-19)**

Dear client,

the spreading of Covid-19, which happened recently on our nation, has led us to think about the potential impact that this situation might cause on sales business and production workflow.

Elettrotek Kabel Group is constantly monitoring the situation concerning the virus spreading by taking preventing measures.

According to the Italian Government instructions our Company confirm you as follow:

- To date, we haven't recorded any case of Covid-19 among our employees and collaborators;
- The precautionary actions established from national health care have been activated on all of our working areas;
- Business trips and meetings have been interrupted as first in the first place and have been substituted with conference calls;
- Supplies of raw materials are being delivered on a regular basis, any delay will be notified in time;
- The forwards are delivering regularly in Italy and in Europe;
- Our productions are up to schedule as well as our logistics;

Unfortunately, depending on our Government's decisions on the matter, we can't guarantee the situation will remain the same as previously described.

We invite you to bring to our attention any critical issue that might affect your production chain.

Looking forward to seeing you soon again and leaving this though period behind.

Best regards

Rappresentante Legale
